We are hugely proud to announce that the following students have been successful in applying to Live Their Dream through the James Rao Foundation in 2017.

**Salome Steinke - G12 - Going to Fiji**

**Camille Privé- G12 - Going to Ecuador**

**Ethan Page - G11 - Going to Nepal**

**Paulo de Andrade - G12 - Going to Cambodia**

**Alice Douvillez - G12 - Going to Costa Rica.**

This year, we received superb applicants from 15 IST students for visits ranging from Zimbabwe to Borneo. We would like to place on record our thanks to all students who applied but who were not successful this time round. Where possible, we look forward to their renewed interest in the Foundation next year for 2018 visits.

Thanks to Mr Noble for his hard work and support in the application process and to Mr Fretwell and Mrs Steinson for shortlisting and running the final interviews. It wasn't an easy task at all! Finally, and most importantly, thanks to Kiran, Alison, Matthew and Emma Rao for their continued dedication to the Foundation and to Anita Rao in L.A for all of her help in ensuring that the process ran smoothly.
